

## CalciMedica Set to Join Russell Microcap® Index

July 1, 2024 12:00 PM EDT

LA JOLLA, Calif., July 1, 2024 /PRNewswire/ -- CalciMedica Inc. ("CalciMedica" or the "Company") (Nasdaq: CALC), a clinical-stage biopharmaceutical company focused on developing novel calcium release-activated calcium ("CRAC") channel inhibition therapies for acute and chronic inflammatory and immunologic illnesses, today announced that the Company is set to join the Russell Microcap® Index at the conclusion of the 2024 Russell U.S. Indexes annual reconstitution, effective at the open of U.S. equity markets on Monday, July 1, 2024, according to preliminary lists of additions posted on Friday, May 24, 2024.

The annual Russell U.S. Indexes reconstitution captures the 4,000 largest U.S. stocks as of Tuesday, April 30, 2024, ranking them by total market capitalization. Membership in the Russell Microcap® Index, which remains in place for one year, means automatic inclusion in the appropriate growth and value style indexes. FTSE Russell determines membership for its Russell indexes primarily by objective, market-capitalization rankings and style attributes.

"Our inclusion in the Russell index is representative of the growth that the Company has undergone since becoming a publicly traded company in the first quarter of 2023," said Rachel Leheny, Ph.D., Chief Executive Officer of CalciMedica. "I am grateful to all our employees at CalciMedica for their diligent work in pursuit of our goal of delivering much-needed therapies to patients suffering from acute and chronic inflammatory and immunologic illnesses, while continuing to create value for our stockholders."

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Russell's U.S. indexes serve as the benchmark for about \$10.5 trillion in assets as of the close of December 2023. Russell indexes are part of FTSE Russell, a leading global index provider.

Fiona Bassett, Chief Executive Officer of FTSE Russell, an LSEG Business, commented, "Russell indexes—now in their 40th year—continue to evolve to reflect the dynamic U.S. economy. Annual rebalancing plays a vital role in establishing accurate benchmarks, ensuring they correctly mirror their designated market segments and remain unbiased in terms of size and style."

For more information on the Russell Microcap® Index and the Russell indexes reconstitution, go to the "Russell Reconstitution" section on the FTSE Russell website.

### About CalciMedica

CalciMedica is a clinical-stage biopharmaceutical company focused on developing novel CRAC channel inhibition therapies for inflammatory and immunologic diseases. CalciMedica's proprietary technology targets the inhibition of CRAC channels to modulate the immune response and protect against tissue cell injury, with the potential to provide therapeutic benefits in life-threatening inflammatory and immunologic diseases for which there are currently no approved therapies. CalciMedica's lead product candidate Auxora™, has demonstrated positive and consistent clinical results in multiple completed efficacy clinical trials. CalciMedica has completed a Phase 2b trial (called CARPO – [NCT04681066](#)) in AP with SIRS and a Phase 2b trial (called CARDEA – [NCT04345614](#)) in COVID pneumonia patients, continues to support the ongoing Phase 1/2 AIPT study (called CRSPA – [NCT04195347](#)), with data expected in 2025, and has initiated its Phase 2 study (called KOURAGE – [NCT06374797](#)) in AKI with associated AHRF with data expected in 2025. CalciMedica was founded by scientists from Torrey Pines Therapeutics and the Harvard CBR Institute for Biomedical Research, and is headquartered in La Jolla, CA. ### Forward-Looking Statements

This communication contains forward-looking statements which include, but are not limited to, statements related to: CalciMedica's inclusion in the

Russell Microcap<sup>®</sup> Index; CalciMedica's business strategy; CalciMedica's planned and ongoing clinical trials and the timing, design, expected patient enrollment thereof and the expected timing for the release of data from those trials; and the potential of CalciMedica's proprietary technology to provide therapeutic benefits in life-threatening inflammatory and immunologic diseases. These forward-looking statements are subject to the safe harbor provisions under the Private Securities Litigation Reform Act of 1995. CalciMedica's expectations and beliefs regarding these matters may not materialize. Actual outcomes and results may differ materially from those contemplated by these forward-looking statements as a result of uncertainties, risks, and changes in circumstances, including, but not limited to, risks and uncertainties related to: the impact of fluctuations in global financial markets on CalciMedica's business and the actions it may take in response thereto; CalciMedica's ability to execute its plans and strategies; the ability to obtain and maintain regulatory approval for Auxora; results from clinical trials or preclinical studies may not be indicative of results that may be observed in the future; potential safety and other complications from Auxora; the scope, progress and expansion of developing and commercializing Auxora; the size and growth of the market therefor and the rate and degree of market acceptance thereof; economic, business, competitive, and/or regulatory factors affecting the business of CalciMedica generally; CalciMedica's ability to protect its intellectual property position; the impact of government laws and regulations; and CalciMedica's financial position and need for additional capital. Additional risks and uncertainties that could cause actual outcomes and results to differ materially from those contemplated by the forward-looking statements are included under the caption "Risk Factors" in CalciMedica's Quarterly Report on Form 10-Q for the quarter ended March 31, 2024, and elsewhere in CalciMedica's subsequent reports on Form 10-K, Form 10-Q or Form 8-K filed with the Securities and Exchange Commission from time to time and available at [www.sec.gov](http://www.sec.gov). These documents can be accessed on CalciMedica's web page at [ir.calcimedica.com/financials-filings/sec-filings](http://ir.calcimedica.com/financials-filings/sec-filings). The forward-looking statements contained herein are made as of the date hereof, and CalciMedica undertakes no obligation to update them after this date, except as required by law.
